# ABOUT

In this fast-moving world, we are taking a new perspective on the burgeoning business of container trading. Container Hub is a top-tier trader of shipping containers based in Dubai. We specialize in modifying containers for various applications such as container homes, restaurants, retail outlets, office spaces, and so on. Our expert team will take care of all your shipping-related aspects. Providing service with utmost excellence is our greatest priority. You can rely on us!

## VISION

Container hub is focused to provide excellent solutions to its clients regarding the various needs related to container types. It aims towards becoming the single-stop solution for container requirements and services in UAE. It strives towards bringing in customer satisfaction and delights at each step of container transport.

## MISSION

To be the most trusted name in the industry and become the most sought-after company in shipping-related aspects, worldwide. In order to keep its position as the top supplier of shipping solutions worldwide, it also established targets for bringing in the most cutting-edge container designs and services.

## OUR CORE VALUES

A Trusted Company, Customer Delights,  
Innovative and Sophisticated Technologies.  
Reliable and Skilled Professionals

# OUR PRODUCTS AND SERVICES

## SALES AND PURCHASE OF BRAND-NEW CONTAINERSE

If you are looking for brand-new shipping containers in Dubai, then Container Hub is the perfect provider.

## STORAGE

We assist you in navigating the storage aspects with ease by keeping them intact in our yards and assisting you in timely dispatching.

## FOLDING CONTAINERS

We undertake the sale and purchase of foldable containers to ensure that your supply chain remains intact and perfect.

## CONTAINER RENTALS

Renting a container from Container Hub, Dubai, UAE might be the best choice at a reasonable monthly price.

## USED CONTAINERS

Container Hub converts containers into buildings like offices, residences, and other varied structures.

## CONTAINER REPAIRS

We undertake all the repair services related to malfunctioning shipping containers.

## CONTAINER WASHING

You can approach us anytime for container washing in Dubai as our efficient team of professionals is at your service throughout.

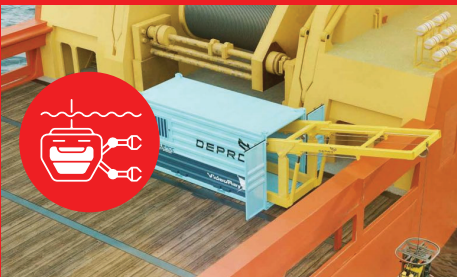

## INTER-TERMINAL TRANSFER

Along with handling several container depot services in Dubai, we also excel in the inter-terminal transfer of cargo and goods.

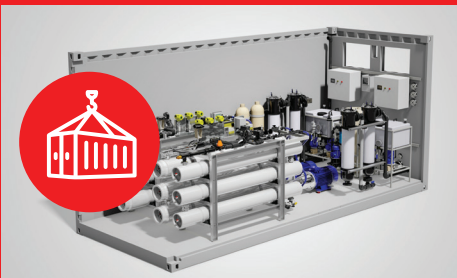

## CONTAINER CONVERSIONS

Containers, both new and used, are utilized for different basic rental and purchase choices, with fully customized units to meet customer needs.

## ROV CONTAINERS

A shipping container is undoubtedly one of the best ways to carry your equipment if you work internationally.

## RO CONTAINERS

Our RO containers keep your rubbish secure and safe.

## CLINIC CONTAINER CONVERSION

Clinics made from shipping containers would be sturdy, safe, and architecturally sound, able to resist all types of weather globally, not just in Dubai.

## MECHANICAL ROOM CONTAINERS

Our mechanical room container UAE is a great option if you're searching for a better way to store mechanical and electrical equipment.

## MOBILE RESTAURANT

We at CONTAINER HUB have worked on numerous projects to create mobile restaurants in Dubai and other Middle Eastern countries.

## OFFSHORE ACCOMMODATION

At CONTAINER HUB, we offer offshore accommodations all over the world that can be conveniently exported and transported.

## MODULAR CONSTRUCTION

At Container Hub, we offer the highest quality modular container construction solutions to suit your needs.

## OFFSHORE CONTAINERS

With our commitment to quality and customer satisfaction, you can rest assured you are getting the best offshore containers on the market.

## DNV REEFER CONTAINERS

We provide a complete line of DNV Reefers, including the regular 20- and 40-foot models as well as the DNV Dual Voltage Twin Room Reefers, with world-wide shipping.

## DNV OFFSHORE CCU'S

Container Hub's containers are made to strict specifications and receive a DNV 2.7-1 safety grade.

## DNV HALF HEIGHTS

Our DNV Half Height Containers are perfect for offshore storage, offering superior strength and durability in a smaller size.

## DNV BASKETS

Container Hub offers a choice of offshore baskets in a number of sizes suitable for a range of purposes.

## DNV TANKS

Our tank containers are constructed following ISO standards, making them appropriate for use with various transportation systems.
